

# HTML Session Plan Week One

## Setup:

Notepad++/Textwrangler installed on all machines  
Modern HTML5 compatible browsers e.g. Chrome

## General setup:

- Wifi,
- Projector,
- Plenty of: Tables, Chairs, Plugs.

## Introducing HTML:

Start off with basic tags, make a "Hello World!" Page different text sizes,  
Use <p> tag  
Show <marquee> tag,  
Introduce linking, explain the difference between absolute and relative,  
Show how to put an image on the page,  
Embed a youtube video using the share option on the youtube page  
Show a small bit of style inside other tags.

```
<html>
<head>
<title>Intro to HTML</title>
</head>
<body>
<h1 style="color:red; font-family:comic sans ms;">Red
text</h1>

<h2>Hello World!</h2>
<p style="font-family:Brush Script MT;">
    Fatback capicola shankle swine bacon, tail pork speck filet mignon tenderloin
    kielbasa. Pork loin short ribs tail turkey.
<p style="text-align:center;">
    Ribeye sausage short ribs, t-bone ham hock spare ribs turducken
    prosciutto pig biltong ground round filet mignon. Swine shankle pork ball tip short
    ribs tri-tip frankfurter, kielbasa jowl hamburger.
</p>
<iframe style="float:right" width="420" height="315"
src="http://www.youtube.com/embed/QH2-TGUlwu4"
frameborder="0" allowfullscreen></iframe>
<h5>Hello World!</h5>
<h6>Hello World!</h6>

</body>
</html>
```

## Red text
